

Bunky — design Marc Newson, 2012

“Kids like to have fun. They like their privacy and they like to feel safe – preferably all at the same time. Bunky provides this environment for them. It is cosy and exciting – it is their very own space in which they can climb, hide and obviously sleep”.

Designer

Marc Newson

Marc Newson has been described as the most influential designer of his generation. He has worked across a wide range of disciplines, creating everything from furniture and household objects to bicycles and cars, private and commercial aircraft, yachts, various architectural commissions, and signature sculptural pieces for clients across the globe.

His clients include a broad range of the best known and most prestigious brands in the world – from manufacturing and technology to transportation, fashion and the luxury goods sector. Many of his designs have been a runaway success for his clients, and have

achieved the status of modern design icons. Marc Newson was included in Time magazine's 100 Most Influential People in the World, and has received numerous awards and distinctions.
